

2nd International Workshop for Young Maxillofacial Prosthetic Educators (yMPE)

Time	Contents
Day 1 - 7 March 2023	
08:30 – 09:00	Introduction to the workshop
09:00 – 12:30	Intensive maxillofacial lectures and discussion session1
12:30 – 13:30	Lunch time
13:30 – 17:00	Clinical observation and discussion session1
Day 2 - 8 March 2023	
09:00 – 12:30	Clinical observation and discussion session2
12:30 – 13:30	Lunch time
13:30 – 17:00	Intensive dental teaching skills lectures and discussion session2
Day 3 - 9 March 2023	
09:00 – 12:30	Intensive publication lectures and discussion by editors of international prosthodontic journals
12:30 – 13:30	Lunch time
13:30 – 17:00	Clinical case report presentations and discussion by educators
Day 4 - 10 March 2023	
09:00 – 10:00	Introduction to various digital speech production and evaluation using physical models
10:00 – 12:30	Hands on digital speech production using various physical models of simulated human head
12:30 – 13:30	Lunch time
13:30 – 14:30	Introduction to augmented and mixed reality for maxillofacial defects
14:30 – 16:30	Hands on augmented and mixed reality using holographic computing for maxillofacial defects
16:30 – 17:00	Workshop overview, closing remarks, and certificates handling
