

INTERNATIONAL COLLEGE OF PROSTHODONTISTS
ICP GLOBAL VIRTUAL RESEARCH DAY 2026
ABSTRACT TEMPLATE

Please complete the information below and indicate your preferred presentation format before preparing your abstract using the template provided on the following page.

Presenter Category (mark as appropriate)	☐ Postgraduate Resident/Student ☐ Graduate Student/Research Fellow ☐ Early-Career Researcher (within 5 years of graduation)
ICP Membership Status	☐ Active ICP Member ☐ Membership Application Submitted ☐ Membership Renewal Submitted ICP membership is required for abstract submission. New membership applications or membership renewals must be submitted before the abstract deadline.
Preferred Presentation Format	☐ Research in 5 only ☐ Virtual Poster only ☐ Either
Research in 5 Oral Presentation	If selected for Research in 5, presenters will give a 5-minute live oral presentation using a maximum of 5 slides , followed by a 5-minute Q&A during the ICP Global Virtual Research Day.
Virtual Poster	If accepted for the Virtual Poster option, presenters will prepare a PowerPoint poster with an accompanying 3–5-minute recorded presentation . Posters will not be presented during the live webinar; they will be posted on the ICP website and available to ICP members only.

ABSTRACT PREPARATION

Please replace below all bracketed instructions with your information and retain the order and formatting shown below.

[ABSTRACT TITLE]

Use a concise, specific title in title case. Centered.

[First Author^{1,2}, Second Author³, Third Author¹]

List each author's family name first, followed by a comma and full given name(s), with superscript affiliation number(s). Separate authors with semicolons. Centered.

For example: Andersson, Sofia^{1,2}; Chen, Daniel Wei³; Rossi, Marco²

[¹Institution, City, Country; ²Institution, City, Country; ³Institution, City, Country]

List affiliations in numerical order and use the same superscript numbers as above. Centered.

Background and Purpose:

[Enter the background/context and clearly state the purpose or objective of the study.]

Materials and Methods:

[Briefly describe the study design, sample/materials, methods, and key analytical approach.]

Results:

[Present the most important findings. Include quantitative results where available. Preliminary results may be identified as such.]

Conclusions:

[State the main conclusion and, where appropriate, the clinical or scientific relevance.]

Formatting specifications

- Arial throughout; 12 pt bold for title, 11 pt for authors and abstract text, 10 pt for affiliations.
- Section headings in 11 pt bold italic.
- Left aligned; single line spacing; minimal, consistent paragraph spacing.
- Maximum 250 words for the abstract text, excluding title, authors, and affiliations.
- Do not include references, figures, tables, acknowledgments, or footnotes.

File name:

Name the file: Lastname_Firstname_ICP2026_Abstract.docx

Submission:

*Submit your completed abstract by email to icp@icp-org.com by Friday, **November 6, 2026.***
