Guidelines for Nomination

Terms of Reference 2.3

IV. The Nominating Committee shall select only those candidates who fulfill the following criteria:

Candidates must:

- Have been members of the college for at least six continuous years
- Have attended at least two meetings

Candidates should:

- Have demonstrated active participation at some level in the college (committee participation, committee chair activity, program chair, some other level of activity)
- Have shown leadership ability and experience in other national and international organizations
- Be considered for their strategic benefits to the Board (geographic, gender, minority representation)
