ABSTRACT PREPARATION

Please replace all bracketed instructions with your information and retain the order and formatting shown in the template below. See and follow precisely the **General Guidelines** below the abstract template.

Submit your completed abstract to icp@icp-org.com by Monday, November 9, 2026

[ABSTRACT TITLE]

[Last Name, Given Name[1,2]; Last Name, Given Name[3]; Last Name, Given Name[1]]

[[1]Institution, City, Country; [2]Institution, City, Country; [3]Institution, City, Country]

Background and Purpose: *[*Enter the background/context and clearly state the purpose or objective of the study.]

Materials and Methods: *[*Briefly describe the study design, sample/materials, methods, and key analytical approach.]

Results: *[*Present the most important findings. Include quantitative results where available. Preliminary results may be identified as such.]

Conclusions: *[*State the main conclusion and, where appropriate, the clinical or scientific relevance.]

General Guidelines

Only original basic science or clinical research is eligible for oral presentation. Case reports and case presentations are eligible only for poster presentation.

TITLE: Use a concise, specific title in ALL CAPS. Centered.

List of Authors: List each author's family name first, followed by a comma and full given name(s), with superscript affiliation number(s). Separate authors with semicolons. For example: Andersson, Sofia[1,2]; Chen, Daniel Wei[3]; Rossi, Marco[2]. Centered.

List of Affiliations: List affiliations in numerical order and use the same superscript numbers as above. Centered

Formatting Specifications

- Font type and size: Arial throughout; **TITLE** - 12 pt bold ALL CAPS; List of Authors - 11 pt, First Letter of Each Name in CAPs; Affiliations - 10 pt, First Letter of Each Word in CAPS; ***Section Headings - 11 pt Bold Italic, First Letters of Each Word in CAPs***; and Abstract text - 11 pt, sentence case.
- Line spacing - single; consistent 3 pt inter-paragraph spacing.
- Abstract - left aligned
- Title, authors, and affiliations – centered.
- Maximum 250 words for the abstract text, excluding title, authors, and affiliations.
- Do not include references, figures, tables, acknowledgments, or footnotes.

File name: Lastname_Firstname_ICP2026_Abstract.docx
